**In reference to Certain Images Photography**

To Whom It May Concern:

I have known John Schwirtlich of Certain Images both personally and on a professional level for the past 5 years. Throughout the course of the past 3 years, A&T Project Developments has used John exclusively for all of our corporate photography requirements. As a developer, a large portion of our business relies on visual reference. John's photos have been a great asset in terms of profiling our past projects, enhancing our marketing objectives, and adding to our client reference library. John demonstrates a strong work ethic that is efficient, a product that is always delivered on time, and ultimately a reputation of the highest quality. As such, I would not hesitate to recommend the services John and Certain Images Photography to anyone!

Best regards,

A handwritten signature in black ink, appearing to read 'Jeff Arnold', is written over the 'Best regards,' text. The signature is fluid and cursive, with a large, sweeping flourish at the end.
